Dr. Younger is an amazing diagnostician. After years of being misdiagnosed, I met with Dr. Younger, who was relentless in figuring out what was wrong. His course of treatment and dedication to my health has enabled me to live a pain and symptom free life. I am so grateful to Dr. Younger and I... [more](#)

Dr. Younger and his staff are amazing! I recently switched neurologists and was glad I did. Dr. Younger is extremely knowledgeable and thorough and determined to get to a diagnosis. He doesn't waste time in ordering tests and, in my case, has uncovered a significant issue that was missed by two... [more](#)

My son has been chronically ill for several years, and has autism. I started my son to see Dr. Younger by recommendation of another physician who is equally caring and pleasant. (You know what they say, "Likes know likes"! ) Dr. Younger took the best care of my son, making certain he was comfortable... [more](#)

New York, NY | May 24, 2017

Outstanding clinical experience in treating my son!

---

-Emily in New York, NY | Apr 21, 2017

Exceptional care from a caring doctor.

---

-Ann Ball in Flower Mound, TX | Mar 29, 2017

Excellent physician - its hard to locate a doctor who will be this thorough.

---

-Mercy in New Yonkers NY | Jul 17, 2016

Exemplary office and staff. NYU Langone is a mecca for great care.
